**BEST BUYS**

Big, dense and ample, it is a medium-bodied, satin-textured effort crammed with sweet, spicy black fruits. Fresh, expressively and enormously appealing value.

**BEST BUYS**

**VINUM CABERNET SAUVIGNON**

Dark red in the glass, this wine slowly reveals itself as a wolf in sheep's clothing. Hints of leather and barnyard lift to show dark berry aromas, while the entry is smooth and silky a chocolate undercurrent leading to more substantial cassis and mixed berry with cola and leather notes. Firm in the mouth it has graceful tannins that will evolve over the next few years.

A wine true to Stellenbosch at an affordable price.
